

# WORKSHOP

## Train the Trainer Workshop

[ 3 DAYS INSTRUCTION ]

### COURSE OVERVIEW

This workshop features practical, hands-on experiential learning. Participants will have the opportunity to deliver a brief training session in the field of their choice. This workshop is highly recommended for administrators, instructors, and trainers from all disciplines who are just starting out in the field, returning to the field after a period or who have not been afforded the opportunity to leave the field to recharge their batteries and review and reconsider the foundation responsibilities and expectations of being a trainer.

### COURSE OUTLINE

🔵 Introduction (icebreakers) 🔵 Defining a successful training program 🔵 Adult learning principles 🔵 Developing an effective oral presentation 🔵 Selecting the training method 🔵 Basic facilitation skills 🔵 Getting feedback 🔵 Teaching from strengths 🔵 Teaching from weaknesses 🔵 Instructional practicum

### TARGET AUDIENCE

Public works personnel, managers, supervisors.
