

Acknowledgement of Understanding

Complete this sheet if you are writing a drinking water or wastewater examination without having provided proof of completing Grade 12 or equivalent.

Examination type (e.g. Operator-in-Training Exam)

I understand that once I have written and passed the above examination I will not be eligible for the issuance of any certificate(s)/licence(s) until I have provided the Ontario Water Wastewater Certification Office (OWWCO) with proof of completion of Grade 12 from the Province of Ontario, or equivalent education qualifications in accordance with the mandatory requirements of Schedule 2, Qualifications for Operator's Certificates/Licences, of O. Reg. 128/04, and O. Reg. 129/04.

Please note examination results are valid for a period of 5 years. After 5 years, the results will no longer be considered an examination approved by the Director and the examination must be re-written in order to obtain an operator's certificate/licence.

For information on what is considered equivalent to Grade 12 please see the Ministry of the Environment's Guideline 3.1 *Grade 12 Equivalency*.

I (print name above) agree to the above terms

Signature (please sign above)

Dated (mm/dd/yyyy)
